

April 2010 News

Mission Indy Inc.
57 N. Rural Street
Indianapolis, IN 46201

Mar 27th Service Day

About 30 people from Woodland Heights Christian Church (Crawfordsville, IN) joined us for yet another day of demolition in the IPS School # 3 building that you have been reading about.

Some material was simply discarded into a dumpster, while many others were separated into recycling areas. Some wood could be saved and all the metal could be reclaimed.

Light fixtures and ceilings were also removed.

April 1st Service Day

Students from Chapel Rock CC joined us as part of their Spring Break Mission Trip to Indianapolis. The other four (4) days the group served at various ministries around the city, while on Thursday they worked with Mission Indy at School # 3.

Checking Tools

Pulling Nails

Lots of carrying!

April 10th Service Day

For the 3rd year in a row, St. Andrew United Methodist Church joined us for a Jr. High Weekend event.

One thing that Dana Kirkwood and other leaders always do when they arrive is to gather everyone in a prayer circle.

In addition to St. Andrew UMC, we also worked with a young adult group from Chapel Rock on April 10th.

The group worked at Ms. Gordon's house on Broadway doing such things as sanding floors, cutting sub-floor material and laying vinyl tiles.

April 17th Service Day

On this last day of the Spring season, about 40 folks joined us from Kingsway CC and a home school co-op group out of Anderson, led by the daughter of St. Louis CC President, Guthrie Veech!

Matt Cutler explains the work for the day at School # 3.

Part of the work is many trips up and down the stairs!

Stacks of re-claimed lumber!

Can you help?

This summer we have a unique situation before. We have two students, one guy and one girl that will be coming without a car. Because of their unique host family and ministry locations, we really need to secure some type of vehicle for them. So, Mission Indy is looking to purchase two low cost vehicles that we will probably end up selling at the end of the summer. Hence, we need to make the best deal possible so that we do not lose money. If you have an older vehicle that you are thinking of selling or know of one anywhere – PLEASE let us know by calling Ron at 317-423-3505 or 317-538-9565.

Meet the Summer Interns!

Mission Indy is so happy to introduce you to the 10 dynamic college interns for 2010!

Erin Dye –Intern Coordinator
